^ The response rate shown here is an overall SETU response rate for the unit offering that is based on the proportion of enrolled students that answered the 'overall satisfaction' question in the unit evaluation section of the survey. The response rate for individual teachers (i.e. the proportion of the students that they taught that answered the teaching questions) may differ.

* The median shown here is calculated under the assumption that the five point scale represents a continuous random variable rather than five discrete categories. For further information on how this measure is calculated please refer to <http://www.monash.edu/ups/setu/setu-results#methodology>
