## Florence Airport (otherwise known as Peretola airport)

- IATA code: FLR
- Approximately 25 minutes by car or 40 minutes by bus from Prato.
- TAXI: The cost of a one-way taxi fare from Florence airport to Prato or vice-versa is approximately €35 euro (2015 tariff).

## BUS from Florence airport to Prato:

- The bus service is operated by CAP Bus Company, departing every 15 minutes. The bus stop is located just outside the airport area on the main road.
- If possible, purchase your ticket from an *edicola* (newsagent) inside the air terminal; it is cheaper than buying it on the bus.
- Take the  bus - direction 'Prato'.

The bus terminates its journey at '**Stazione F. S. Prato Centrale**' but you can disembark at the stop 'CEPPO VECCHIO' that is nearest to the Monash Prato Centre.

Bus information (Italian only) is available on the CAP website: [CAP Bus Company](#)

**Tip:** If you are travelling in a group where everyone will buy their own ticket, choose to buy them in the air terminal; drivers become frustrated dealing with many people needing change.

- A service we highly recommend especially when arriving at Florence's Peretola airport.
- On arrival at the airport or train station, avoid standing in a taxi queue and book your driver beforehand; prices are comparable with taxis.
- Sometimes taxi drivers at Florence airport or train station are unfamiliar with the narrow streets and one-way systems in Prato's historic centre, finding it difficult to drop you directly at your accommodation.
- The driver will be waiting for you in the arrivals hall or at the beginning of the train platform
- No supplement to pay for luggage
- Payment directly to the driver with POS, VISA, Mastercard or Bancomat.  
NOT ACCEPTED: American Express or Diners cards.
- The drivers try to keep track of incoming flight or train arrivals, but should there be a delay or change of schedule, text them a message or send an email.
- The drivers speak English
